2011 Convention Notes

Welcome to the 2011 Utah State Horticultural Association Annual Convention. This year we have another great program with five out of state speakers along with USU faculty and other industry experts.

Membership: Your membership fee provides you with

1. The Bus transportation for the Winter Orchard Tour;
2. Two lunches and three breaks.
3. Travel for Speakers from out of state.
4. Research funding (see Research projects below). Reports are generally made at convention.
5. Website. It contains talks and reports along with information.
6. Discount on the GoodFruit Grower magazine.

Donations: All donations are tax deductible. The donations help fund the research projects. Please give what you can. The following list is some of the projects that we are involved with:

New Technique to Rapidly Detect Blight Bacteria
Organic Orchard Floor Management
Validation of Trap Thresholds for CM in Mating D. apple orchards
Continued Herbicide trials and Weed Control Alternatives in Utah
Improving Orchard Irrigation
Analysis of CM Mating Disruption Dispensers
High Density Tart Cherry Production System ...
Fire Blight Course
Determining Incidences of 3 Diseases in Utah stone Fruit
Cherry Fruit Fly Control with GF-120 Killing Stations
Earwig Trapping and Control in Peach Orchards
Nutrient Management for Tree Fruit Productivity and Quality
Enhancing Tree Fruit Pest Management-Weather Stations
Evaluation of Puffer Mating Disruption to Manage Codling Moth

Research Projects 2009-2011

GoodFruit Grower: The block subscription to the GoodFruit Grower will be \$20.00 for those who have registered for the convention, and runs from April 2011 for one year.
